RE: Cash deposit instruction for glycine from the People's Republic of China (A-570-836)

1. Commerce has published in the Federal Register (78 FR 20891) on 04/08/2013 the final results of administrative review of a certain exporter subject to the antidumping duty order on glycine from the People's Republic of China (PRC) for the period 03/01/2011 through 02/29/2012.

2. As a result of Commerce's review, the cash deposit rates have been revised for certain exporters. Therefore, for shipments of glycine from the PRC entered, or withdrawn from warehouse, for consumption on or after 04/08/2013, the required cash deposit has been revised for the following exporters:

Exporter: PRC-wide Entity

Case number: A-570-836-000

Cash deposit rate: 453.79 percent

3. On 12/10/2012, Commerce published in the Federal Register its final affirmative determination of circumvention of the antidumping duty order on glycine from the PRC (A-570-836) (77 FR 73426). Commerce determined that all glycine produced and/or exported from India by AICO Laboratories India Ltd. and Salvi Chemical Industries Limited was circumventing the antidumping order. Accordingly, Commerce created case number A-533-975 to accommodate entries of merchandise classified with India as the country of origin for Customs purposes, but subject to the antidumping duty order on glycine from the PRC. See message number 2353309, dated 12/18/2012. Therefore, for shipments of glycine from the PRC (sourced from the PRC-wide entity) produced and/or exported by AICO Laboratories India Ltd. and Salvi Chemical Industries Limited and entered, or withdrawn from warehouse, for consumption on or after 04/08/2013, the required cash deposit has been revised as indicated below.

Indian producer and/or exporter: Salvi Chemical Industries Limited

PRC supplier/producer: PRC-wide entity

Case number: A-533-975-001

Cash deposit rate: 453.79 percent

Indian producer and/or exporter: AICO Laboratories India Ltd.

PRC supplier/producer: PRC-wide entity

Case number: A-533-975-061

Cash deposit rate: 453.79 percent

4. On October 31, 2012, Commerce initiated a new shipper review of glycine from the PRC produced and exported by Hebei Donghua Jiheng Fine Chemical Co., Ltd. (Donghua Fine Chemical) (A-570-836-006), message 2307307, dated 11/02/2012. That review is still on-going. See 77 FR 65669. Because Donghua Fine Chemical remains part of the PRC-wide entity, the revised PRC-wide entity cash deposit rate of 453.79 percent is applicable to entries of subject merchandise exported and produced by Donghua Fine Chemical and entered, or withdrawn from warehouse, on or after 04/08/2013.

5. If any entries of this merchandise are exported by a firm other than the exporter or exporter/producer chains listed in paragraphs 2, 3 or 4 above, then the following instructions apply:

A. If the PRC or non-PRC exporter of the subject merchandise has its own rate (or an exporter/producer combination rate), use the applicable rate for determining the cash deposit rate.

B. For all PRC exporters of subject merchandise which have not been assigned to a separate rate (or an exporter/producer combination rate), the cash deposit rate will be the PRC-wide rate of 453.79 percent.

C. For all non-PRC exporters of subject merchandise which have not received their own rate (or an exporter/producer combination rate), the cash deposit rate will be the rate applicable to the PRC exporter or exporter/producer combination, that supplied that non-PRC exporter.

6. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise included in this administrative review until assessment instructions are issued.

7. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O7:BD.)

8. There are no restrictions on the release of this information.
